Dear Player,

Congratulations on being selected for LOASS FC for the 2016/17 season for the above team. We hope that you will enjoy the training we offer and being part of LOASS FC.

LOASS, a FA Charter Standard Community Club, was established in 1997 and in that time has grown immensely, with two or more teams at every age group from under 8 to under 18, several girl's teams at different age groups, a disability team, veterans, women's, under 21 and Senior teams competing in the Olympian League. In that time the club has helped many players and our long list of players in our role of honour section on our web site www.loassfc.net showing all our players that have been signed by professional football club academies. It is our highest priority to develop and support each player to be the best they can be.

We will have an end of season presentation where all players receive a trophy, and endeavour to organise football tournaments, quiz nights, a Christmas party, race nights and other great fun days planned for 2016. We also have an end of season tour every year which is great fun for all that attend.

This season our signing on fee will be **£300** to include for all players, training sessions on 3G from September to May, all coach and match expenses, and an end of season presentation

We have two options for payment:
1) Cash in full on the day of registration £300
2) £50 signing on fee followed by 10 payments of £25 a month by Standing Order from 1st Aug -1st May
3) £100 signing on fee followed by 10 payments of £20 a month by Standing Order from 1st Aug -1st May

Please note <u>new players only</u> will have an additional £60 to pay for two new kits

If you choose option 2 you will need to show proof on registration day that you have set up this payment as a Standing Order with your bank to go direct to the LOASS FC bank account. Please ensure you make the reference your son's name and age group, for example James Stuart U10.

You will need to bring proof of this Standing Order to registration day or we will ask you to complete a standing order form on registration day that will be sent to your bank. The fees are monitored on a monthly basis and any payments will result in suspension from play.

Any player that has not paid their registration fee and one standing order payment on the 1st August at the start of the season will not be able to commence play so please ensure this is not over looked.

The £300 is a yearly subscription and monthly payments are designed to help spread the costs of the subscription. If your son/daughter decides to leave before the end of the season the full fees are still owed to the club.

We offer a sibling discount of 10% for families with two or more players at the club. This will be taken off the total after all fees are added together. For example, a family with two players pay £300 x 2 = £600 minus £30 x 2 = £60 so the total is £540 for the season.

PLEASE NOTE WE WILL NOT TAKE CASH PAYMENTS FOR FEES THROUGHOUT THE SEASON YOU MUST PAY CASH IN FULL OR SET UP A STANDING ORDER OR RISK SUSPENSION FROM PLAY

Registration Venue Peter May, Wadam Road E17 4HR

Parents will be asked to sign a code of conduct. The LOASS FC and FA code of conduct can be seen here http://www.loassfc.net/respect.html. Please familiarise yourselves with this as any breach of the code will not be tolerated and could result in touch line bans. All the LOASS teams have at least an FA level two qualified coach, who is CRB checked and also hold FA Emergency Aid and Safeguarding Children certificates. We also have a parent team representative in each team who should be there to help you with any questions you have.
